Important Information Regarding Nebraska Relay

What is Nebraska Relay?

Nebraska Relay is a public service that guarantees all citizens access to prompt, professional and precise communication through a telephone. Consumers of these specialized services, specifically individuals who are deaf, DeafBlind, hard of hearing or have difficulty speaking, can communicate on the telephone via TTY, Voice Carry Over (VCO), Hearing Carry Over (HCO), Speech-to-Speech (STS), Spanish and Captioned Telephone. This helps ensure the ability to connect with family, friends or businesses with ease.

How does the Nebraska Relay work?

Simply dial 711 to connect with Nebraska Relay. A qualified Communication Assistant (CA) will ask for the area code and the number of the person you wish to call and begin the relay call. Generally, the CA will voice the typed message from the text telephone (TTY) user to you. The CA then relays your voiced message response by typing it to the TTY user.

Specialized Services:

Nebraska Relay offers specialized services for individuals who have difficulty speaking and for Spanish-speaking residents. Specially trained CAs are on hand to assist in these types of calls by dialing the number provided. Since Nebraska Relay offers a variety of services please refer to the website listed, or contact Nebraska Relay Customer Care for more detailed instruction on how a particular call is processed.

Captioned Telephone:

Captioned Telephone is ideal and available for individuals with hearing loss that can speak for themselves. A captioned telephone works like any other telephone with one essential difference: it allows users to listen to their phone conversations while reading captions of what's being said to them.

Access to Services:

711 provides toll-free relay calling. If you are experiencing trouble dialing 711 while trying to reach Nebraska Relay, please contact Nebraska Relay Customer Care.

All TRS and English Captioned Telephone services are available 24 hours a day, seven days a week. Spanish Captioned Telephone is available daily from 8:00 a.m. to 12:00 a.m. EST or 7:00 a.m. to 11:00 p.m. CST. Consumers may place relay calls to English-speaking and Spanish-speaking people within Nebraska, across the United States, and even internationally. By law, each conversation is handled with strict confidentiality.

Special points of interest:

Equipment Distribution Program

The Nebraska Specialized Telecommunications Equipment Program (NSTEP) provides monetary assistance to persons with disabilities. These persons will then use the financial assistance to aid in the purchasing of specialized telephone equipment. For more information, visit ncdhh.nebraska.gov/services/nstep.

Emergency Calls

Please note that 711 can only be used to reach Nebraska Relay. In an EMERGENCY you should continue to use 911. For emergencies, call 911 or your local emergency service TTY number directly and not relay. The Americans with Disabilities Act (ADA) requires that 911 centers have a TTY and be prepared to handle emergency calls placed in this manner. Nebraska Relay will make every effort to assist you in an emergency. However, it is important to understand that relay centers are not 911 centers and do not assume responsibility for emergency calls.

Telephone Consumer Protection Act (TCPA)

The TCPA is a federal law that was enacted on December 20, 1991 to address consumer concerns about the growing volume of unsolicited telephone marketing calls and the increasing use of automated and prerecorded telephone calls. The TCPA imposes restrictions on the use of automatic telephone dialing systems, artificial or prerecorded voice messages, and telephone facsimile machines to send unsolicited advertisements. Consumers lose billions of dollars each year to telemarketing fraud. Unlike most other crimes, telemarketing mail fraud requires one essential element: victim participation. The best way to protect yourself is ot know the difference between legitimate offers and fraudulent ones.

How Can You Protect Yourself?

- Don't be pressured to make an immediate decision.
- Don't give your credit card, checking account or Social Security Number to unknown callers.
- Don't pay for something merely because you'll get a free gift.
- Get all the information in writing before you agree to buy.
- Check out a charity before you give.
- Don't invest your money with an unknown caller who insists you make up your mind immediately.
- Be cautious of statements that you've won a prize.
- Check out unsolicited offers with the Better Business Bureau, local consumer protection agency, or state Attorney General's office before you agree to send money.

You can reduce the number of telephone solicitation calls placed to your home by contacting the Telephone Preference Service of the Direct Marketing Association (DMA). The DMA commercially publishes and markets lists of consumers who do not wish to receive solicitation calls. Your name can be added to DMA's lists by sending your name, telephone number and address to:

Telephone Preference Service Direct Marketing Association Farmingdale, New York 11735-9014

If you believe you are the victim of false or deceptive telephone solicitation sales practices, you should send your complaint to: Federal Trade Commission

Consumer Response Center
Drop H285
6th Street and
Pennsylvania Avenue, N.W.
Washington, D.C. 20580
